As another training year draws to a close I would like to take this opportunity to say how proud I am of all of you for your performance this year. Bravo Zulu to all cadets and staff. I would also like to wish you the best of luck with your summer activities. As you'll see later in this newsletter, we have a busy schedule planned for next year. I hope to see you all back in September, rested and ready, for another exciting year.

Cadets Caring for Canada/Tag Day

May 28th was a very busy, and productive, day for Lanark. Our cadets not only participated in planting flower bulbs around Carleton Place as part of CC4C, but also tagged at various businesses throughout the region, resulting in almost \$4500.00 being raised for the local Navy League branch. Our cadets also completed a clean up of the Carleton Place trail on Jun 11th to complete our commitment to the CC4C program.

Sail Training Weekend

Lanark had a very successful sail weekend held on 18-19 Jun at the Nepean Sail Centre. Although the wind didn't really cooperate with us on Sunday, everyone enjoyed the chance to get back on the water after a long winter. Congratulations to the following on achieving their White Sail II Qual:

- QPO1 Haddad-Bowler
- QPO1 Renaud
- PO2 Vallieres

The sail centre staff said we have the best cadets, and we are welcome back any time.

HMCS Toronto trip

Just a reminder that cadets who haven't left for camp can join us for a trip to tour the HMCS Toronto on Jul 7th. Times right now are tentative, but it looks like the bus will depart at 0900, and return around 2200. You will be contacted with specific details when they become available.

Next Years Activities

Merit boards

Just a reminder to all senior cadets that appointment positions are up for competition in September. This year we will conduct boards for these positions. If you are interested in any of the following positions, please contact one of the adult instructional staff:

- Coxswain
RPO
Gunner
CBM
Ship's Writer
Stores PO
New Entry PO

Note: These boards will also cover any changes that may happen later in the year, so you can apply for more than one position.

Competition teams

With a busy schedule planned for the next training year, competition teams will start recruiting, and practicing, earlier in the year. If you are interested in a particular team for next year's competitions, please let the team captain know as soon as possible.

Out of area trips

- Lanark has been selected to take part in an inter-provincial exchange next year. Cadet Detachment in Trenton has indicated that it will likely be in the Gaspé Peninsula area of Quebec. Details have yet to be finalized on this, but there will be more information to follow early in the new year.
- It is also our intention to plan a corps trip to Halifax during the March 06 time frame. Details are just starting to get worked out for this one, but be prepared to do a little extra fundraising next year. Cadets who participate in this trip must be enrolled in the corps prior to 1 Nov 05 in order to be eligible.

Welcome

Welcome to OC Stephanie Denief, and OC Deanna Schneider who sailed up from NLCC Carlplace during the Annual Review on Jun 11th.

Farewell

Fair winds, and following seas, to the following senior cadets, who have moved on to the next stage of their lives/careers:

- CPO2/MWO Casey Anderson
- CPO2 Beka Ralph
- CPO2 Kaitlyn Turner, and
- PO1 Alix Vaughn

Congratulations

Hurrah to (can we finally say it?) NCdt Braet. Mr. Braet will be sworn in to the CIC on Monday June 27th at 1000 at the corps building. Anyone who can make it is welcome to come.
